My dear Marie:Tiffany:-

What a pleasure to hear from
you after we have lost you for so long! We have missed
you, and I have often wondered as to your whereabouts
and how everything was going with you.

I have forwarded the Song
Books of Old California to you, by the first mail and
trust it will reach you safely.

Wishing you all good, and
with the gentle thoughts and memories of Christmas
and New Year's.

Always Your Friend,
